

BURTON BRADSTOCK VILLAGE SOCIETY

Results of the 2024 FLOWER & PRODUCE SHOW

The weather on Show-day was ideal, being cool bright and sunny. Despite challenging growing conditions this year, this was not reflected in the Hall with more than 250 entries over the 67 classes. This was the highest number for several years and a trend we hope to continue in the future! The number of attendees in the afternoon was also up to pre-Covid levels which was another pleasing sign of life returning to normal.
