The Village

At the westerly end of Chesil Beach, in the beautiful Bride Valley where the River Bride wends its way to the sea, lies **Burton Bradstock**, a pretty village of some 1,000 residents. Today, the heart of the village is still unspoilt with pretty 16th and 17th century thatched cottages clustered around St Mary's Church.

On behalf of the Online Group and the whole of the Village, we welcome you to Burton Bradstock.

We hope the information given in this Welcome Pack will help you to settle more comfortably into your new home and the Village. We wish that you will soon enjoy getting to know your new neighbours and make new friends.

Neighbours usually become your first contacts and advisors but please feel free to make contact with any of the organisations listed herein. As residents, we trust you will quickly become and feel part of this community. We have tried to gather as much useful information as possible but would be pleased to hear any suggestions or improvements you might have about this Pack.

More local information is available via our website and in the Library. The website carries the most up to date version of this document. We hope you will have many happy years in Burton Bradstock and hope you will join with us in creating a vibrant and friendly community.

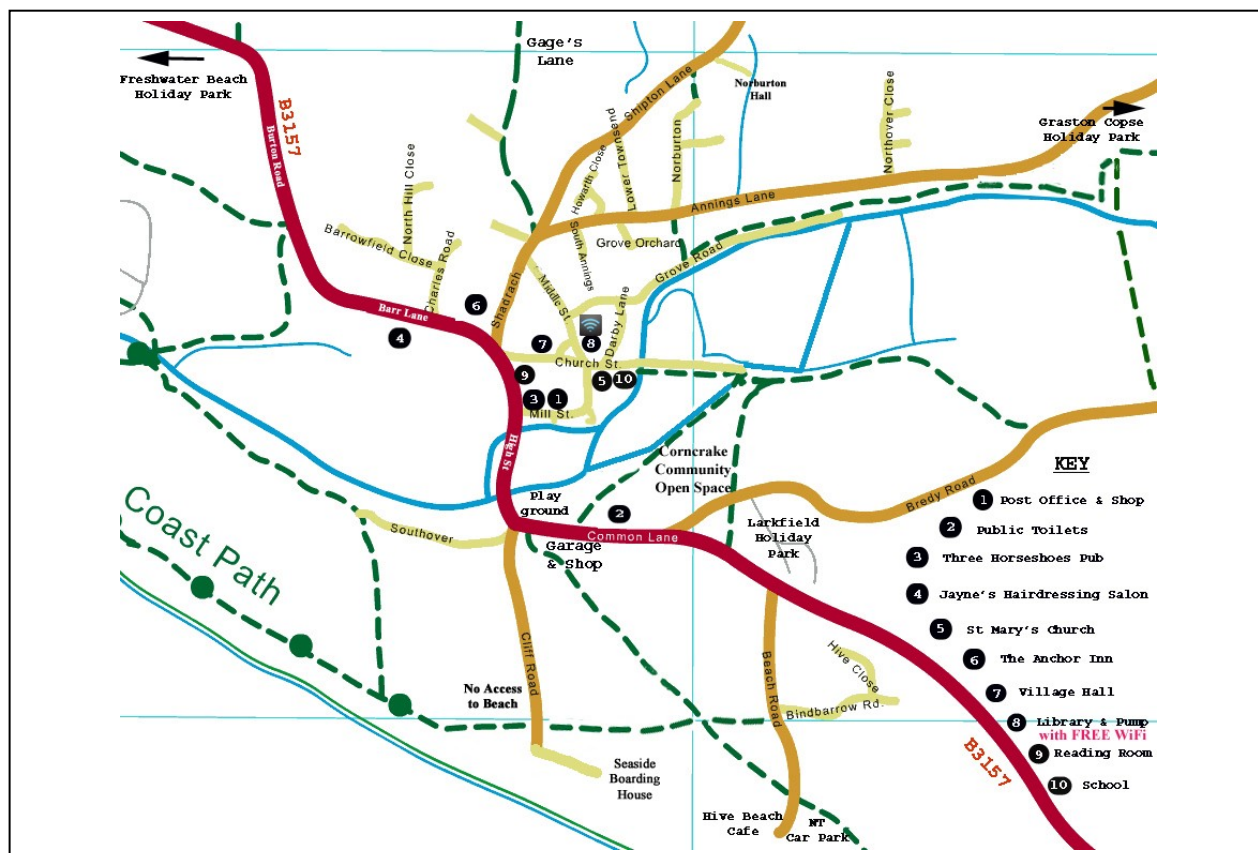

Where did the name Burton Bradstock come from?

In Saxon days, the village was called Brideton or Bridetone meaning the village of the river Bride which evolved to Bridetona as recorded in the Domesday Book of 1086.

Bradstock came from Bradenstoke named after Bradenstoke Priory in Wiltshire to which the village once belonged. The present name appears to be a corruption of the two names.

ST MARY THE VIRGIN CHURCH

The Church lies at the heart of the village and the chiming of the clock and the ringing of the bells remind everyone of its existence.

It is an important historic building with 12th Century origins but much altered over the years. We now have a light and welcoming place for all to visit.

It is, however, much more than an attractive building. It is primarily a place of worship and all are welcome at the services, of which there are several different types. Details of these services are displayed by the churchyard gate, on the village website and in the Bride Valley News.

The church is used for many and varied events particularly by the adjacent school and the annual Music Festival.

CHURCH OF ENGLAND PRIMARY SCHOOL

Burton Bradstock CE Primary School is a small, happy and caring establishment situated in the centre of the village next to the Church. It has close links with the Church and local community, a strong governing body, known as the Local School Committee and a thriving parent association known as the Friends.

It is part of the Initio Learning Trust, a group of seventeen schools consisting of primary, secondary, first, middle and upper situated in the Bridport and Wimborne areas of Dorset. These schools work together to share understanding, practice and expertise to provide the best education and opportunities for their pupils.

As a Church school the outlooks and attitudes centre around the core Christian values of Love, Happiness, Hope, Courage, Friendship and Respect. Every child is valued as being unique and is developed academically, socially, emotionally and spiritually.

The school is generally the choice for families living in the Village and Shipton Gorge along with significant numbers of families from Bridport and its surroundings. There is a pre-school, taking children from four years of age, which together with reception class form a highly successful Foundation Stage Unit. *More information is available on the School website at www.burtonbradstock.dorset.sch.uk*

PARISH COUNCIL

The Parish Council meets in the Reading Room on the first Wednesday of each month except in August. In addition to considering local planning applications (as a consultee), meetings provide the opportunity for residents to express their views on all local issues. The Parish Council also owns and manages the Reading Room, Corncrake field, the Allotments in Southover, the Recreation Ground and Play Area (see below), and the Post office.

For more information see the website at www.burtonbradstock-pc.gov.uk/ Contact the Clerk - clerk@burtonbradstock-pc.gov.uk or write to The Reading Room, High Street, Burton Bradstock, DT6 4QA

BRIDE VALLEY CAR SERVICE

The BVCS is a volunteer scheme offering residents of the Bride Valley transport to and from medical appointments when they are unable to drive themselves or be driven by relatives or friends.

Clients are charged a mileage fee (currently 50p per mile) plus a standard charge (currently £2 per journey). Because the service depends on the availability of volunteer drivers, clients are asked to give as much notice as possible – we are unlikely to be able to respond to requests within 48 hours of an appointment.

To book a journey, please call our voluntary co-ordinator on 07393 607025.

NATIONAL COASTAL INSTITUTION

LYME BAY

NCI Lyme Bay is a recipient of the Queen's Award for Voluntary Service. If you are afloat within the Bay, walking the coastline or partaking in any water-based sport, National Coastwatch is there to do radio checks, give weather and tide information and keep an eye out for you. Unless the Watchkeepers are involved in an ongoing incident, visitors are welcome at the Hive Beach Lookout. Come and learn about the NCI charity and our work as a member of the Search & Rescue Emergency Services.
